

Table of Contents

Objective	3
Introduction	5
Executive Summary.....	11
General Economic Conditions.....	13
Demographics of Equine Practitioners	13
The Market for Veterinary Education.....	17
The Market for Veterinarians	27
The Market for Veterinary Services.....	43
A Portrait of the Equine Veterinary Practice	44
Economic Impacts of the Equine Veterinary Industry	55
Data Sources and Methods.....	58
List of Figures	66
List of Tables	79
Section 1: General Economic Conditions.....	90
1.1 Business Cycle Index	91
1.2 Index of Leading Economic Indicators	94
Section 2: Demographics	100
2.1 Demographics of Respondents	100

Page 61 of 577

2.1.1 Year of Graduation and Age.....	100
2.1.2 Veterinary Medical College Attended.....	102
2.1.3 Gender	104
2.1.4 Type of Employment.....	107
2.1.5 Racial/Ethnic Group	108
2.1.6 Regional Distribution	110
2.1.7 Living Environment and Work Location.....	113
2.1.8 Marital Status.....	115
Section 3: The Market for Veterinary Education	116
3.1 Supply of Veterinary Education	116
3.2 North American Veterinary Licensing Exam	118
3.3 Supply of Seats from AVMA-Accredited Schools.....	119
3.4 The Cost of Veterinary Education	120
3.5 Distribution of New Veterinarians	122
3.6 Veterinary College Outcomes of Veterinarians in the Equine Profession	125
3.6.1 Externship Participation.....	125
3.6.2 Internship Participation	126
3.6.3 Residency Participation.....	166
3.6.4 College Preparedness	176
3.6.5 Most Important Skills for New Veterinarians	178
3.6.6 Equine Veterinarians Leaving the Equine Profession	185

3.6.7 New Veterinarian Starting Salaries	191
3.7 Educational Debt of New Veterinarians	198
3.7.1 Summary Statistics.....	199
3.7.2 Difference in Student Debt for Selected Characteristics	204
3.7.3 Factors Affecting Veterinary Educational Student Debt upon Graduation	216
3.8 Expectations before Entering Profession.....	220
3.9 Key Performance Indicator: Debt-To-Income Ratio (DIR) of New Veterinarians	223
3.9.1 Factors Affecting Debt-to-Income Ratio	225
Section 4: The Market for Veterinarians	230
4.1 Equine Veterinary Profession Incomes.....	230
4.1.1 Summary Statistics.....	231
4.1.2 Differences in Professional Income for Selected Characteristics	235
4.1.3 Factors Affecting Income	250
4.2 Fringe Benefits Received.....	257
4.3 Family Status	261
4.4 Market Key Performance Indicator: Net Present Value	266
4.4.1 Age Earnings Profile	266
4.4.2 Net Present Value (NPV) of the DVM Degree.....	268
4.5 Equine Veterinary Profession Employment.....	276
4.5.1 Full-Time and Part-Time Employment	280
4.5.2 Summary Statistics.....	287

4.5.3 Employment Satisfaction	289
4.5.4 Retirement	320
4.6 Equine Veterinary Profession Unemployment	324
4.6.1 Summary Statistics.....	325
4.6.2 Factors Affecting Unemployment.....	328
4.7 Equine Veterinary Profession Underemployment.....	331
4.7.1 Veterinarians Who Wish to Work More (Underemployment).....	348
4.7.2 Veterinarians Who Wish to Work Less (Negative Underemployment).....	353
4.7.3 Factors Correlated with Underemployment.....	359
4.8 Health and Wellness	366
4.8.1 Physical and Mental Health	366
4.8.2 Professional Quality of Life	389
4.9 Geographic Distribution of Equine Practitioners.....	431
Section 5: Market for Veterinary Services	434
5.1 Supply of Equids in the United States.....	436
5.1.1 Number of Equine-Pet-Owning Households.....	438
5.1.2 Location.....	439
5.1.3 Veterinary Visits.....	440
5.2 Demand for Equine Private Practice Veterinary Services.....	442
Section 6: Equine Practice.....	444
6.1 Equine Sectors.....	445

6.2 Staff Utilization	460
6.3 Service Calls.....	470
6.4 Parallel Service Providers.....	479
6.5 Practice Ownership	488
6.6 Compensation Methods	500
6.7 Returns to Equine Veterinary Practice.....	518
6.7.1 Personal Gross Revenue of Production for 2015.....	518
6.7.2 Total Practice Gross Revenue of Production	532
6.7.3 Average Gross Collected Revenue	536
6.7.4 Revenue and Income Contraction and Expansion of Equine Practices	542
6.7.5 Total Practice Expenses/Deductions for 2015	549
6.7.6 Current Ratio.....	555
6.7.7 Profit Centers/Activity Centers	559
Section 7: ECONOMY-WIDE IMPACTS of Equine Practices.....	566
7.1 IMPLAN software and Input/Output Analysis	566
7.2 Results and Discussion	568
Recognition of Authors	574
References	575
