

# List of Tables

## **Pet Ownership and Pet Population: All Pets**

- Table 1-1. How pet owners viewed their pets, 2011
- Table 1-2. Percentage of households that owned pets and number of pet-owning households by region and state, Dec. 31, 2011

## **Pet Ownership and Pet Population: Multiple Pets**

- Table 1-3. How dog-only owners, cat-only owners, and dog- and cat-only owners viewed their pets, 2011
- Table 1-4. Pet ownership rates, at least one type of pet, Dec. 31, 2011

## **Pet Ownership and Pet Population: Dog Ownership**

- Table 1-5. How dog owners viewed their dogs by age of dog owner, 2011
- Table 1-6. Percentage of households that owned dogs by number owned and mean number of dogs, Dec. 31, 1987-2011
- Table 1-7. Percentage of households that owned dogs by age of dog, Dec. 31, 1987-2011
- Table 1-8. Percentage of households that owned dogs, number of dog-owning households, mean number of dogs per household and total dog population by region and state, Dec. 31, 2011
- Table 1-9. Trends in dog ownership by region and state, Dec. 31, 1996-2011

## **Pet Ownership and Pet Population: Cat Ownership**

- Table 1-10. How cat owners viewed their cats by age of cat owner, 2011
- Table 1-11. Percentage of households that owned cats by number owned and mean number of cats, Dec. 31, 1987-2011
- Table 1-12. Percentage of households that owned cats by age of cat, Dec. 31, 1987-2011
- Table 1-13. Percentage of households that owned cats, number of cat-owning households, mean number of cats per household and total cat population by region and state, Dec. 31, 2011
- Table 1-14. Trends in cat ownership by region and state, Dec. 31, 1996-2011

## **Pet Ownership and Pet Population: Bird Ownership**

- Table 1-15. How bird owners viewed their birds by age of bird owner, 2011
- Table 1-16. Percentage of households that owned birds by number owned and mean number of birds, Dec. 31, 1987-2011
- Table 1-17. Percentage of households that owned birds by age of bird, Dec. 31, 1987-2011
- Table 1-18. Percentage of households that owned birds, number of bird-owning households, mean number of birds per household and total bird population by region, Dec. 31, 2011
- Table 1-19. Trends in bird ownership by region, Dec. 31, 1996-2011

## **Pet Ownership and Pet Population: Horse Ownership**

- Table 1-20. How horse owners viewed their horses by age of horse owner, 2011
- Table 1-21. Percentage of households that owned horses by number owned, and mean number of horses, Dec. 31, 1987-2011
- Table 1-22. Percentage of households that owned horses by age of horse, Dec. 31, 1987-2011
- Table 1-23. Percentage of households that owned horses, number of horse-owning households, mean number of horses per household and total horse population by region, Dec. 31, 2011
- Table 1-24. Trends in horse ownership by region, Dec. 31, 1996-2011

## **Pet Ownership and Pet Population: Specialty and Exotic Pet Ownership**

- Table 1-25. Percentage of households that owned the 2011 top five specialty and exotic pets by type of pet, and mean number of specialty and exotic pets, Dec. 31, 1987-2011
- Table 1-26. Percentage of households, number of households, mean number per household and total population by type of specialty and exotic pet, Dec. 31, 2011
- Table 1-27. Trends in specialty and exotic pet ownership, Dec. 31, 1996-2011

## **Pet Ownership and Pet Population: Summary Tables**

- Table 1-28. Percentage of pet-owning households in the U.S., Dec. 31, 1987-2011

## **Veterinary Medical Use and Expenditures: All Pet-owning Households**

- Table 2-1a. Percentage of households owning pets anytime during the year, 2006 & 2011
- Table 2-1. Mean veterinary visits and number of visits for all pets, dogs, cats, birds, horses, and specialty and exotic pets, 2011
- Table 2-2. Mean veterinary expenditures and total expenditures for all pets, dogs, cats, birds, horses, and specialty and exotic pets, 2011

## **Veterinary Medical Use and Expenditures: Multiple-Pet Households**

- Table 2-3. Distribution of households by number of veterinary visits and mean number of visits for dog-only, cat-only, and dog- and cat-only households by human-animal bond, 2011
- Table 2-4. Distribution of households by veterinary expenditures and mean veterinary expenditures for dog-only, cat-only, and dog- and cat-only households by human-animal bond, 2011

## **Veterinary Medical Use and Expenditures: Dog-owning Households**

- Table 2-5. Distribution of dog-owning households by number of visits to the veterinarian and mean number of visits per household and per dog, 1987-2011
- Table 2-6. Distribution of dog-owning households by number of visits to the veterinarian and mean number of visits per household by race/ethnicity, 2011
- Table 2-7. Mean number of veterinary visits for single and multiple dog-owning households by human-animal bond, 2011
- Table 2-8. Distribution of dog-owning households by veterinary expenditures and mean expenditure per household, per visit and per dog, 1987-2011
- Table 2-9. Distribution of dog-owning households by veterinary expenditures and mean expenditure per household by human-animal bond, 2011
- Table 2-10. Mean veterinary expenditure per dog-owning household by household income and human-animal bond, 2011
- Table 2-11. Distribution of dog-owning households by veterinary expenditures and mean expenditure per household by race/ethnicity, 2011
- Table 2-12. Mean veterinary expenditures for single and multiple dog-owning households by human-animal bond, 2011
- Table 2-13. Veterinary services/products provided for dog(s) in TOTAL during 2011
- Table 2-14. Reason for choosing veterinarian on most recent visit by dog-owning households, 2011
- Table 2-15. Primary reason for not taking dog(s) to veterinarian at any time in 2011
- Table 2-16. Veterinary visits and expenditures by dog-owning households, 1996-2011
- Table 2-17. Veterinary services/products provided during the most recent veterinary visit by dog-owning households, 1996-2011
- Table 2-18. Reason for choosing veterinarian on most recent veterinary visit by dog-owning households, 1996-2011

## **Veterinary Medical Use and Expenditures: Cat-owning Households**

- Table 2-19. Distribution of cat-owning households by number of visits to the veterinarian and mean number of visits per household and per cat, 1987-2011
- Table 2-20. Distribution of cat-owning households by number of visits to the veterinarian and mean number of visits per household by race/ethnicity, 2011
- Table 2-21. Mean number of veterinary visits for single and multiple cat-owning households by human-animal bond, 2011
- Table 2-22. Distribution of cat-owning households by veterinary expenditures and mean expenditure per household, per visit and per cat, 1987-2011
- Table 2-23. Distribution of cat-owning households by veterinary expenditures and mean expenditure per household by human-animal bond, 2011
- Table 2-24. Mean veterinary expenditure per cat-owning household by household income and human-animal bond, 2011
- Table 2-25. Distribution of cat-owning households by veterinary expenditures and mean expenditure per household by race/ethnicity, 2011
- Table 2-26. Mean veterinary expenditures for single and multiple cat-owning households by human-animal bond, 2011
- Table 2-27. Veterinary services/products provided for cat(s) in TOTAL during 2011
- Table 2-28. Reason for choosing veterinarian on most recent visit by cat-owning households, 2011
- Table 2-29. Primary reason for not taking cat(s) to veterinarian at any time in 2011

- Table 2-30. Veterinary visits and expenditures by cat-owning households, 1996-2011
- Table 2-31. Veterinary services/products provided during the most recent veterinary visit by cat-owning households, 1996-2011
- Table 2-32. Reason for choosing veterinarian on most recent veterinary visit by cat-owning households, 1996-2011

### **Veterinary Medical Use and Expenditures: Bird-owning Households**

- Table 2-33. Distribution of bird-owning households by number of visits to the veterinarian and mean number of visits per household and per bird, 1991-2011
- Table 2-34. Distribution of bird-owning households by number of visits to the veterinarian and mean number of visits per household by race/ethnicity, 2011
- Table 2-35. Distribution of bird-owning households by veterinary expenditures, mean expenditures per household, per visit and per bird, 1987-2011
- Table 2-36. Distribution of bird-owning households by veterinary expenditures and mean expenditure per household by human-animal bond, 2011
- Table 2-37. Mean veterinary expenditure per bird-owning household by household income and human-animal bond, 2011
- Table 2-38. Distribution of bird-owning households by veterinary expenditures and mean expenditure per household by race/ethnicity, 2011
- Table 2-39. Veterinary services/products provided for birds(s) in TOTAL during 2011
- Table 2-40. Reason for choosing veterinarian on most recent visit by bird-owning households, 2011
- Table 2-41. Primary reason for not taking bird(s) to veterinarian at any time in 2011
- Table 2-42. Veterinary visits and expenditures by bird-owning households, 1996-2011
- Table 2-43. Veterinary services/products provided during the most recent veterinary visit by bird-owning households, 1996-2011
- Table 2-44. Reason for choosing veterinarian on most recent veterinary visit by bird-owning households, 1996-2011

### **Veterinary Medical Use and Expenditures: Horse-owning Households**

- Table 2-45. Distribution of horse-owning households by number of visits to the veterinarian and mean number of visits per household and per horse, 1991-2011
- Table 2-46. Distribution of horse-owning households by veterinary expenditures and mean expenditure per household, per visit and per horse, 1987-2011
- Table 2-47. Distribution of horse-owning households by veterinary expenditures and mean expenditure per household by human-animal bond, 2011
- Table 2-48. Mean veterinary expenditure per horse-owning household by household income and human-animal bond, 2011
- Table 2-49. Veterinary services/products provided for horse(s) in TOTAL during 2011
- Table 2-50. Reason for choosing veterinarian on most recent visit by horse-owning households, 2011
- Table 2-51. Primary reason for not taking horse(s) to veterinarian at any time in 2011
- Table 2-52. Veterinary visits and expenditures by horse-owning households, 1996-2011
- Table 2-53. Veterinary services/products provided during the most recent veterinary visit by horse-owning households, 1996-2011
- Table 2-54. Reason for choosing veterinarian on most recent veterinary visit by horse-owning households, 1996-2011

### **Veterinary Medical Use and Expenditures: Specialty and Exotic Pet Owing Households**

- Table 2-55. Percentage of households with veterinary expenditures by type of specialty and exotic pet, 1996-2011.
- Table 2-56. For all households that own specialty and exotic pets, mean visits per pet, mean visits per household and total veterinary visits, 1996-2011
- Table 2-57. For all households that owned specialty and exotic pets, mean veterinary expenditure per visit, mean total veterinary expenditures per household and total veterinary expenditures, 1996-2011

### **Veterinary Medical Use and Expenditures: Summary Tables**

- Table 2-58. Veterinary visits and expenditures for all species, 2011
- Table 2-59. Reason for choosing veterinarian on most recent veterinary visit for all species, 2011

### **Pet Owner Demographics: All Pet-owning Households**

- Table 3-1 Percentage of households that owned pets by household designation, 2006 & 2011
- Table 3-2. Percentage of households that owned pets by household size, 1991-2011
- Table 3-3. Percentage of households that owned pets by household income, 2001-2011
- Table 3-4. Percentage of households that owned pets by education level of the head of household, 2011
- Table 3-5. Percentage of households that owned pets by employment status of the head of household, 2011
- Table 3-6. Percentage of households that owned pets by home-ownership status, 1991-2011
- Table 3-7. Percentage of households that owned pets by type of residence, 2001-2011
- Table 3-8. Percentage of households that owned pets by community size, 2001-2011
- Table 3-9. Percentage of households owning all pets, dogs, cats, birds, horses, and specialty and exotic pets by race/ethnicity, 2011

### **Pet Owner Demographics: Multiple-Pet Households**

- Table 3-10. Percentage of households that owned dogs only, cats only, and dogs and cats only by household designation, 2011
- Table 3-11. Percentage of households that owned dogs only, cats only, and dogs and cats only by household size, 2011
- Table 3-12. Percentage of households that owned dogs only, cats only, and dogs and cats only by household income, 2011

### **Pet Owner Demographics: Dog-owning Households**

- Table 3-13. Percentage of households that owned dogs by household designation, 2006 & 2011
- Table 3-14. Percentage of households that owned dogs by household size, 1991-2011
- Table 3-15. Percentage of households that owned dogs by household size and human-animal bond, 2011
- Table 3-16. Percentage of households that owned dogs by household income and human-animal bond, 2011
- Table 3-17. Percentage of households that owned dogs by education level of the head of household, 2011
- Table 3-18. Percentage of households that owned dogs by employment status of the head of household, 2011
- Table 3-19. Percentage of households that owned dogs by home-ownership status, 1991-2011
- Table 3-20. Percentage of households that owned dogs by type of residence, 2001-2011
- Table 3-21. Percentage of households that owned dogs by race/ethnicity and human-animal bond, 2011

### **Pet Owner Demographics: Cat-owning Households**

- Table 3-22. Percentage of households that owned cats by household designation, 2006 & 2011
- Table 3-23. Percentage of households that owned cats by household size, 1991-2011
- Table 3-24. Percentage of households that owned cats by household size and human-animal bond, 2011
- Table 3-25. Percentage of households that owned cats by household income and human-animal bond, 2011
- Table 3-26. Percentage of households that owned cats by education level of the head of household, 2011
- Table 3-27. Percentage of households that owned cats by employment status of the head of household, 2011
- Table 3-28. Percentage of households that owned cats by home-ownership status, 1991-2011
- Table 3-29. Percentage of households that owned cats by type of residence, 2001-2011
- Table 3-30. Percentage of households that owned cats by race/ethnicity and human-animal bond, 2011

### **Pet Owner Demographics: Bird-owning Households**

- Table 3-31. Percentage of households that owned birds by household designation, 2006 & 2011
- Table 3-32. Percentage of households that owned birds by size of household, 1991-2011
- Table 3-33. Percentage of households that owned birds by household size and human-animal bond, 2011
- Table 3-34. Percentage of households that owned birds by household income and human-animal bond, 2011
- Table 3-35. Percentage of households that owned birds by education level of the head of household, 2011
- Table 3-36. Percentage of households that owned birds by employment status of the head of household, 2011
- Table 3-37. Percentage of households that owned birds by home-ownership status, 1991-2011
- Table 3-38. Percentage of households that owned birds by type of residence, 2001-2011
- Table 3-39. Percentage of households that owned birds by race/ethnicity and human-animal bond, 2011

### **Pet Owner Demographics: Horse-owning Households**

- Table 3-40. Percentage of households that owned horses by household designation, 2006 & 2011
- Table 3-41. Percentage of households that owned horses by household size, 1991-2011
- Table 3-42. Percentage of households that owned horses by household size and human-animal bond, 2011
- Table 3-43. Percentage of households that owned horses by household income and human-animal bond, 2011

- Table 3-44. Percentage of households that owned horses by education level of the head of household, 2011
- Table 3-45. Percentage of households that owned horses by employment status of the head of household, 2011
- Table 3-46. Percentage of households that owned horses by home-ownership status, 1991-2011
- Table 3-47. Percentage of households that owned horses by type of residence, 2001-2011

### **Pet Owner Demographics: Summary Tables**

- Table 3-48. Percentage of households that owned pets by household designation, 2011
- Table 3-49. Percentage of households that owned pets by household size, household income, home-ownership status, type of residence and community size, 2011
- Table 3-50. Percentage of households that owned pets by education level of the head of household, 2011
- Table 3-51. Percentage of households that owned pets by marital status, employment status of head of household and race/ethnicity, 2011

### **Pet Owner Profiles: All Pet-owning Households**

- Table 4-1. Distribution of households that owned pets by type of pet and household designation, 2011
- Table 4-2. Distribution of households that owned pets by type of pet and marital status, 2011
- Table 4-3. Distribution of households that owned pets by type of pet and household size, 2011
- Table 4-4. Distribution of households that owned pets by type of pet and household income, 2011
- Table 4-5. Distribution of households that owned pets by type of pet and education level of the head of household, 2011
- Table 4-6. Distribution of households that owned pets by type of pet and employment status of the head of household, 2011
- Table 4-7. Distribution of households that owned pets by type of pet and home-ownership status, 2011
- Table 4-8. Distribution of households that owned pets by type of pet and type of residence, 2011
- Table 4-9. Distribution of households that owned pets by type of pet and community size, 2011
- Table 4-10. Distribution of households that owned all pets by type of pet and race/ethnicity, 2011

### **Pet Owner Profiles: Summary Tables**

- Table 4-11. Distribution of households that owned pets by type of pet and household designation, 2011
- Table 4-12. Distribution of households that owned pets by type of pet and household size, household income, home-ownership status, type of residence and community size, 2011
- Table 4-13. Distribution of households that owned pets by type of pet and education level of the head of household, 2011
- Table 4-14. Distribution of households that owned pets by type of pet and marital status, employment status of the head of household and race/ethnicity, 2011

### **Appendix A:**

- Table A-1. Sample representativeness: Family/ Non-family designation
- Table A-2. Sample representativeness: Household size
- Table A-3. Sample representativeness: Age of head of household
- Table A-4. Sample representativeness: Household income
- Table A-5. Sample representativeness: Community/Market size
- Table A-6. Sample representativeness: Geographic region
- Table A-7. Weighted data

### **Appendix B:**

- Table B-1. Dogs registered by the American Kennel Club (AKC), 1996-2011
